SUBJECT: Claim of Objection to Proof of Claim in relation to case number 30311 and Docket number 12325

Dear Sir/Madam,

I am writing this letter to object to the proposed Deficient Claim, this objection is based on several important factors that I hope the council will take into consideration, I believe that the proposition is not in full interest of my claim and would like to urge you to take into consideration the facts that are provided here.

1. I am providing the evidence that I had a lawsuit against the Department of Education in which I had won a settlement. I am including a copy of the Court Order that states how much I was assigned.

I hope that you would take into reconsideration the evidence that I am providing.

Sincerely,

Diana H. Ares Brooks
